Reaching the 4/14 Window to Reach the 10/40 Window

Mobilizing leaders to pray for and to reach children who will then be able to pray for and evangelize the unsaved.

Gaining Knowledge to Impact Lives

All because of your support, learning is taking place at Guthrie Bible Training Centre in Blantyre, Malawi. I want to extend to you a special greeting and thanks from all the leaders and students who have benefitted from your support. We thank God for you! May you be blessed and see the development, as I share with you the opportunities present at GBTC.

These past years, it was my goal to train more of the youth to manage the administration, music, sound, sports, etc involved in running the GBTC professionally. We want our students to be in an environment that encourages them to excel. As the school began this year, we saw the differences in the staff now in place. I thank God for them and thank all involved under the directorship of Rev. Ray Case.

GBTC staff and students

The hard-working 18 students, six national teachers, and two guest teachers from North Carolina delivered remarkable presentations; one hundred percent gained in progress. The students attended either English class or Chichewa class. My goal was to see more women enrolled in school, and this year, we reached equal female and male attendance. One woman earned a 99 percent, the highest in the English class overall, and a man earned a 97 percent in Chichewa class. The average grade in the English class was a 98 and the Chichewa class was a 97. These averages help us see that the English class and Chichewa class students gain the same knowledge through the five subjects. These averages also show that the course content and requirements are manageable and that they gain enough knowledge overall to impact their lives and future ministries. Pray as the directors, teachers, students, and staff prepare for next term, May 21-June 5, when the students can take the next five subjects in their one-year course "Biblical Knowledge Studies." Let me know if you are available to help teach and experience the developments at Guthrie Bible Training Centre in Central Africa; we would love your help!

Crusades Bring Healing & Salvation

Reverends Danny and Judy Williams came to Malawi two weeks before the school term began. They touched, reached, and prayed for healing and deliverance with 700 people through the two crusades in southern Malawi and as I write this letter, they are in the process of presenting two more crusades in the central part of Malawi. Judy also taught the women's ministry groups as they met during the week and she accompanied them during their hospital ministry, where they ministered to 59 women and led 58 to Jesus. Each person received a bar of soap and a Gospel tract.

Rev. Danny & Rev. Judy loving kids

As all of this continues, please pray for the children and youth who we have impacted with God's Word. Pray that their lives will be the shining light of Our Lord's Kingdom.

As all of this continues, please pray for the children and youth who we have impacted with God's Word. Pray that their lives will be the shining light of Our Lord's Kingdom.

Left: Crusades in Malawi, God was at work, healing the sick

Right: Hospital Ministry outreach with women

Gratefulness & Appreciation

My heart is so full of gratefulness and appreciation for the love and care that Women's Ministries has shown with the gifts at Christmas time. It makes it possible to share, celebrate, and fund someone in desperate need to find a desire for their future. Thanks for the seed to enjoy and to give in the special season!

We appreciate the seed you sow with joy in this ministry,

ALTHEA

Guthrie Bible Training Centre

Thank God for Rev. John Guthrie’s vision in Malawi: Guthrie Bible Training Centre (GBTC). This centre is allowing men and women to strategically stand in their calling to ministry. On January 29, 18 students arrived to begin their term at GBTC. Our goals this year were to: see more women come to Bible school, give students access to a more extensive library, train well-equipped national teachers to teach Bible school subjects, and to host guest teachers from America to help! See who came to help and read more about the results inside!

Intern Makes An Impact in Malawi

Rachel Wood, a student from Emmanuel College, came to Malawi for six weeks as an intern. Upon arrival, she took a course with the children’s workers on writing for kids. Then, she was able to travel with the teaching team in southern Malawi and helped present training such as, “How to Teach Preschoolers God’s Word.” In the lower southern part of Malawi, she taught early childhood development and education. She also experienced team building activities with all the ministry teams, helped at YWAM kids camp, PHC youth camp, and the annual children’s workers training sessions before leaving on December 30. She left with the hope to return and help again. Please keep her in your prayers.
