## Passionately Fulfilling Needs in Malawi

This year is packed with the greatest opportunities to reach and teach people! It is possible because of your support and prayers. Thank you! Keep up with what happens weekly in Malawi on the field through my Facebook page and Guthrie Bible Training Centre page.

The conference theme this year was "Understanding the Call and Responsibilities of a Christian Leader." God is truly preparing an unshakable foundation and raising pillars of truth in the nation of Malawi. Pray for each and every pastor and ministry leader to experience a revelation of God and His will and plan for them! Pray for the members of our church to hold onto God with all their might and for their faith to grow as they arise in their home, churches, and communities proclaiming and declaring the Risen Lord Jesus Christ! The end time is exciting...come and be part of it here on the field. Commit, plan, and God will provide as you come and serve or teach in Bible School!

Pray with us for specific needs for leaders. One leader needs healing and has a desire for a child. She supports her husband as the new appointed Superintendent of the Lake

Side Conference and serves on the WM Board. This conference also needs their building project to be roofed as the cost of materials doubled in the past six months, and they were unable to complete their Conference Centre.

The Southern Conference members use the Bible school as a venue for their meetings. There are now more than 2,000 leaders who could come, but are limited because of venue capacity. During this last conference, the National Leaders led the them to pray on site and stand in faith for the building which needs to begin and could be ready for next year, should the resources be released through God's obedient people. In the above right photo, the leaders are standing on the land where a 5,000 seat multipurpose centre needs to be built to facilitate meetings. Pray and stand in faith with them. Should you want to give towards this project, contact Rev. Ernest Turner at [turnerafrica@aol.com](mailto:turnerafrica@aol.com).

The greatest passion for me is to share with children and youth God's plan for their lives. This group of young people were very responsive. We are seeing the new generation of leaders rising. Pray for the young people of Malawi to be full

of passion and to come forward with a commitment to the work in the ministry. Pray for them to receive a revelation of God and the purpose and plan He has for them in His Kingdom. My son, Carl Meyer, has been a keen helper in the ministry and with renovations at the mission house. Pray for him as he serves while volunteering and being in the process of developing an income through his own business in the IT field. Gaby, my daughter, is raising her son, Trian, now 4 years old, who is so eager to pray for wisdom just as King Solomon did.

This family also had a great need, and this need was met through People to People's Ministry of Medicine. Thank you for giving to this fund! The young girl named Aida can now walk after she broke her femur just

under the hip in a minibus accident. She had to have emergency surgery to "nail" her femur so she could regain full use of it and walk again. It was costly and the funds needed to be advanced and paid up front. People to People immediately responded and the help was such a gift!

May you realize that your gifts are God's Helping Hand!

## TEAM WORK!

At Guthrie Bible Training Centre, this is the kind of food presented to the students. Their school fees pay for their meals and transport costs during the term. With support received through World Missions Project Account #11641P, we present to these students spiritual food. In order to present spiritual food to the students this coming term, I need your response! Help us sow the incorruptible seed of God's Word to provide text books and teachers.

*Physical Food and Spiritual Food*

This past term, God worked through the hearts of missionaries in Malawi from Elim Pentecostal Church who gave \$750 by faith! It surely was an answer to prayer for this desperate need. I thank God that He provided through obedient hearts just in time! We are in need once more, and would be very appreciative of your donations to #11641P.

## Prayer Table Gift

What an amazing gift! A children's worker from England, Sarah Wiggin, who came to Malawi to work with orphans and street kids blessed our prayer area at Guthrie Bible Training Centre with this prayer table! It is the flags of all the nations in Africa! We used this prayer tool and it helped the students to pray effectively for the Nations of Africa. Thank God for what HE has done for Malawi! Thank God with us for the new Christian President Joyce Banda who took Presidency mid -year. Thank you for your prayer for Malawi, we are witnessing God's mighty hands moving over this nation and He is definitely intervening in crucial situations!
