

YOUR SUPPORT

Dear Missions Supporter,

The theme for Malawi ministry work and development is... ***“Building His Church to Arise and Shine”!***

As assistant director at Guthrie Bible Training Centre, Child Evangelist and training coordinator the focus is to train and equip strategic leaders to lead each ministry into a dimension of leadership being prayerful, relevant and dynamic. Equipping individuals to build teams to bring salvation to the nations, disciple converts and meets the specific identified needs in the communities.

The strategy is to equip each member to communicate the GOSPEL OF JESUS CHRIST and connect them with their SUFFICIENT SAVIOR and LORD. Then to specifically challenge members to develop into a PEOPLE & CHURCH BUILDER through the using and the functioning of their calling, gifts and talents while brining all GLORY to GOD our Father.

Through **GUTHRIE BIBLE TRAINING CENTER** we are raising the level of *Biblical Knowledge* and the application of principles. **GBTC** is equipping HARVEST FIELD WORKERS & LEADERS. Currently focusing on supporting female students to help educate families and equipping women for ministry to expand the task force in the local church. Pray with us that women will continue to rise-up to lead where God places them to increase ministry workers and build *Girls & Women's Ministry* work, establishing the “backbone” of the Church in Malawi.

Through the **BIBLES FOR MALAWI PROGRAM** with contributions we are able to provide students with Bibles to prepare them to lead training and study groups in their area. Children's Bibles in Chichewa are being distributed, one per family. New reference Bibles are now available in Chichewa and you can help us distribute these to the graduating students. For the first time a **CONCORDANCE IN CHICHEWA** is now available. Help us distribute these to all our leaders.

Through the **CHILD EVANGELISM PROGRAM** called **WAKET PROGRAM (W.I.N. – “Winning All Kids for Christ”)**; all the conferences have the opportunity to gather their children's workers, youth, parents and grandparents to take the *FOUR LEVELS* of the *ANNUAL CHILDREN'S WORKERS TRAINING SESSIONS*. These courses and the *CHILDREN'S MINISTRY LEADERSHIP COURSES* were translated in Chichewa. Your support to this program is helping me lay a foundation to meet all the needs of children in Malawi through the local churches, supporting the developing ministries and projects and mostly to equip parents and leaders to evangelize children, build godly families and develop children's ministry work empower by prayer through the **CHILDREN'S PRAYER NETWORK**. Supporting this program helps me achieve two specific goals in 2018+. To make a **Sunday School Curriculum** available for classes for the under 14 year old groups to all our churches. To focus on developing booklets for kids to read in *English* and *Chichewa* about **Bible Doctrines** and to understand God's Word to build a strong spiritual foundation in their life developing a **Biblical Belief System -supporting strong Christian Character & Leadership**.

INTERN MINISTRY WORKERS: BUILDING / MEDICAL / TEACHING TEAMS, volunteers, visitors, short-term workers and intern ministry workers are welcome in Malawi.
